2020

YEAR of TINGIRA

Lance Ker
President
Tingira Australia Assoc

“For the past 24 months our Tingira sub-committee have been planning the 2020 JR Reunion in Perth for July this year. It's been a bit like getting a good horse into the Melbourne Cup, planning, direction and execution, somedays all at once!

Today, we are coming around the home bend, hometown WA jockey Damian Oliver has the whip in hand and we are ready to thunder down the home straight! However, still a few 'hoops and hurdles' to jump before we get to that finishing post at 12pm on Monday 13 July at Optus Stadium. 'Team Tingira' is on board and doing a great job behind the keyboards on all things administration.

If you have not read the **JR Reunion Newsletter No. 3** on our website, please do so, that's where the most up to date information is at present. The sailing trips are just about sold out, we hope to have some good news from the AFL in coming weeks. The Diamond Jubilee Reunion Dinner has limited numbers, starting to fill fast over the past few weeks, buy tickets now is the tip!

Back at the Tingira helm it was a vey busy last half of 2019 as we prepare for the 2020 JR Reunion, our final visit to former navy base Leeuwin Barracks will be a great memory for many. Some Tingira housekeeping for your first VoicePipe issue of 2020.

We need nominations now for this years '**Stonehaven Medal**' please. Last years winner Daryl Walton is a prime example of many of the stories of JR's who I hear go beyond their duty to deliver extraordinary feats. It will be the big announcement on the day at the 'Leeuwin Naval Salute' event on Friday 10 July and we hope to give it all the prestige and glory the winner deserves.

2020 Tingira Annual General Meeting - I will be travelling to Sydney for ANZAC Day in April, we will conduct the AGM the night before at Club Rosebay with a service on Tingira Memorial first, followed by a dinner in the club. Let's get all the Sydney boys to this one; we also have the **Tingira Committee Election** on the books that night as well. I am seeking new blood on committee, all positions will be declared vacant, see nomination form in this issue, page 14, please consider.

ANZAC Day will again be a big focus and right now we still need some **LJR's** to step up to lead boys in Adelaide, Brisbane, Hobart and Darwin. Big thank you to Graeme Hunter who has come forward for Victoria, we look forward to growing the state groups in activities before and after the July JR reunion.

If you need a new **Tingira tie** or replacement, now is the time to order one. Secretary has new stock on hand and on page 26 of this issue you will see where and how to purchase a navy **JR beret** if you wish.

If you want to secure one of the last copies of our new Tingira history books, '**Our Lifetime Voyage**' it's time to get on the Tingira website and place your order. The last orders will be on 29 Feb, publication due early May at this stage, this will not be offered or reprinted again.

So it's a big year in front of us at Tingira for many reasons. At the reunion, after recovering from Thursday and Friday events, so far I'm horse racing at Ascot on Saturday, Church in Fremantle and sea sailing on the good ship Leeuwin with the wife on Sunday, intake reunion in there somewhere as well, can't wait!

Cheers Lance

Day two - another big Day for the 2020 JR Reunion. I will present the third Tíngira 'Stonehaven Medal' to one of our honourable members and again see that Tíngira flag and maybe even the White Ensign fly on the Leeuwin flagstaff, this will be one of my final duties as the outgoing Tíngira President for 2020.

"Black shoes polished, Suit and Tíngira tie trimmed to perfection, ready for the best tea party and the big march past with final Leeuwin Naval Salute. That final march past of the new Leeuwin flagpole on our JR Memorial at about 1800 hours, couple of hundred Tíngira Boys behind me, wife and many mates in the mix, there is no prouder moment to be part of the HMAS Leeuwin 'Tíngira Boys' at Leeuwin Barracks for this historical day, possibly for the very last time in present form, time to salute, come join us!

Our Lifetime Voyage

Sobraon - Tingira - Cerberus - Leeuwin OUR LIFETIME VOYAGE - Vol 1 & 2

Over the past eight years members of the Tingira Australia Association have gathered many hundreds of photographs, drawings and media clippings of our past and present day history on all things Sobraon, Tingira, Cerberus and Leeuwin pertaining to boy sailors.

The storylines of "Boy Sailors" being part of this living RAN history today makes these publications an asset for your library on navy books.

NEW GENERATION NAVY

Tingira committee man, Jeff Wake, known to many in the social media world as the 'Combat Scribe', landed an interesting PDF on the editors desk last month.

Interesting to see how the new navy rates and branch structures have changed over the past decades.

Some have taken a complete new direction, many have merged and some are just the same as they were many years ago, for your observation - Editor.

LONGTIME CATCH UP

Geoff Allen - I was extremely honoured and privileged to catch up with this gentleman (Ex Governor of NSW, Rear Admiral (Rtd) Peter Sinclair) and his lovely wife Shirley recently.

Peter was my first Executive Officer, when I arrived at HMAS Leeuwin and started our Naval Careers as the 43rd Intake at the JRTS 1973.

FREMANTLE POLICE CELL BLOCK

The old lock up to the East Fremantle Police station, still in good condition when one of our boys went past recently. I wonder how many others got the free bacon and eggs for breakfast just to sober up?

BRIAN O'MAHONY REMEMBERS

"My journey began on this date 50 years ago. On the 7 January 1970.

I left my hometown of Murchison, Victoria, on what was to be an incredible adventure that was to last most of a lifetime.

On the way, I visited some very interesting places (the Hubba Bubba Bar comes to mind), experienced good times and not so good times and met people who were to become lifelong friends.

On the 18 January 2019 the Department of Defence advised me that my time had come to swallow the anchor. This, after 28 years of service in the Royal Australian Navy and an additional 21 years in the Naval Reserve.

Today I asked myself, "would I do this again". To my Marks and Morrow brothers of the mighty 30th my answer was easy.... you bet I would.

Happy 50th guys. RIP those departed"

PHILLIP THOMPSON REPORTS - 44 years ago these old bastards walked through the front gates of HMAS Leeuwin.

Now 44 years later sitting having a beer at the Sunnyside Hotel in Brisbane. Leslie Birch, Christopher Osborne, Dennis Vernon and Phil Thompson December 2019.

GUY ROGERS - NZ - A real honour to accompany Harry, 99yrs old RNZAF pilot, to the ANZAC Day service this year. Unfortunately he had a fall the following week and a hip replacement operation.

HMAS Leeuwin - COMMANDING OFFICERS

Committee members of Tingira Australia Association are often asked who was the CO at Leeuwin on such a date? How would we know, well now we do.

Community Officer, CPO Lachlan Parsons, was recently showing the HMAS Stirling museum to a few members who were visiting the base and they stumbled across

the CO's board proudly displayed for all to see. So now we do know who and when they had command of Leeuwin and will be added to our Tingira storyline of memorabilia.

The same name board now for HMAS Tingira, if anyone has access to such a document?

Australian Navy Cadets – TS Tingira

Australian Navy Cadets (ANC) is a leading provider of youth development experiences for Australian residents aged 12½ to 19 years old, sponsored by the Royal Australian Navy. It aims to build teamwork and leadership skills in young people through exciting and rewarding maritime activities and quality learning opportunities.

Adventure and fun are the key ingredients for activities covering everything nautical from sailing, knots, powerboating, seamanship and marching, to camps, ceremonial parades and events, sailing regattas and interstate trips. We also help you learn skills you will need in the future: leadership, teamwork, self-confidence, independence, resilience, trust and respect.

The life skills that Cadets learn complement their academic achievements and stand them in good stead for rewarding careers.

How do I join?

Come and visit the unit, based at HMAS Cerberus in Crib Point for a few weeks see if you like it, then complete the application paperwork. Once this is complete and the joining fee is paid we kit you out with your uniform (on loan) and welcome you to TS Tingira.
