# TINGIRA DAY

## BOYS READY TO CELEBRATE

**Tingira Australia Association President, Brad Murphy, today announced the schedule for next weekend Tingira Day celebrations.**

"Our participation numbers are down across the nation, I say we are all 'feeling our age' in the cold months of another wet winter' across the nation, however it's good to see an abundance of enthusiasm by those who are waving the Tingira flag celebrating our 64<sup>th</sup> birthday next weekend", said Brad from his Tingira quarterdeck bunker in Bundaberg, Queensland.

Western Australia, North Queensland, South Australia and the Australian Capital Territory are confirmed venues where local coordinators will host this year's Tingira Day celebrations.

Tingira Patron, Vice Admiral Russ Crane AO, CSM, RAN (Ret) will be attending the Canberra function after the local group has experienced a two year lull in activities since their previous coordinator, Eric Pitman, moved to the NSW North Coast.

Contact your local Tingira coordinator to register your interest if you wish to attend the planned functions for the Tingira Day celebrations.

The 2025 Tingira Day celebrations will be held on November 12<sup>th</sup> in conjunction with the Junior Recruit Reunion in Perth.
